

BRING YOUR SHOPIFY STORE INTO THE FUTURE WITH WEB3

About Mint St

We are a creative Web3 agency helping brands realise the benefits of Web3 technologies from education through to project delivery.

Why NFTs?

- Create new revenue streams
- Connect with a younger demographic
- Build a community around your business
- Periodically reward customers without the need for a complex loyalty platform
- Use NFTs to provide discounts or exclusive access to in-store products
- Help your business stand out with innovative and engaging technology
- Become involved in an exciting and evolving space

"We take care of the tech for you"
